

The Georgia Department of Transportation - Office of Planning has initiated the Connect Central Georgia Study to examine travel conditions and identify future transportation needs across 31 Counties in Central Georgia. The Study area (shaded in grey below) includes Baldwin, Bibb, Burke, Chattahoochee, Columbia, Crawford, Glascock, Hancock, Harris, Houston, Jefferson, Jones, Lamar, McDuffie, Macon, Marion, Meriwether, Monroe, Muscogee, Peach, Pike, Richmond, Schley, Talbot, Taylor, Troup, Twiggs, Upson, Warren, Washington, and Wilkinson Counties.

WE WANT TO HEAR FROM YOU!

Please complete the **Online Survey** to provide us your input on transportation needs and opportunities in the Central Georgia Study area:

<https://www.surveymonkey.com/s/ConnectCentralGASurvey>

For more information on the Connect Central Georgia study, visit:

www.dot.ga.gov/connectcentralgeorgia

The **Online Survey** will be available until **December 16, 2011**.

Thank you for your participation in the Connect Central Georgia Study!
